Sir.

I have in my possession a coin made during the reign of Edward the 4th. It is in good condition. Plainly inscribed on one side with the English coat of arms & a latin inscription. (which I do not understand) and a V pense. On the other side an engraving of King Edward holding in one hand a sword the other a ball with a cross on it. It is ~~reign~~ was in 1400. An early reply as to the value. (if there is any) of the above will oblige.

[Abstract:] Asks value of certain coin.

Montgomery, Mo.
January 12, 1889

Sir.

I have in my possession a coin made during the reign of Edward the 4th. It is good condition. Plainly inscribed on one side with the English coat of arms & a Latin inscription (that I do not understand) and a V_pense. On the other side an engraving of Kind Edward holding in one hand a sword the other a ball with a cross on it. His reign was in 1400. An early reply as to the value (if there is any) of the above will oblige.
